COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

CONTRACT FILING OF CHRISTIAN COUNTY)
WATER DISTRICT TO PURCHASE WATER) CASE NO. 2006-00068
FROM BARKLEY LAKE WATER DISTRICT)

O R D E R

On November 10, 2005, Christian County Water District ("Christian District"), on behalf of Barkley Lake Water District ("Barkley Lake District"), submitted a special contract for Barkley Lake District's provision of wholesale water service to Christian District.

Having reviewed the proposed contract, we find that further proceedings are necessary to determine the reasonableness of the contract's provisions. We further find that, as Barkley Lake District has not provided the notice that KRS 278.180(1) requires or submitted tariff sheets stating a valid effective date as Administrative Regulation 807 KAR 5:011, Section 6, requires, no action is necessary to suspend or postpone the proposed contract's operation. The proposed contract will not become effective until the Commission expressly grants its approval or a period of 10 months elapses from the proposed contract's filing. KRS 278.190(2) and (3).

The Commission further finds that Christian District, as a party to the proposed contract, has a significant interest in this proceeding and its presence in this proceeding will likely lead to presentation of issues or development of facts that will assist the

Commission in fully considering the matter without unduly complicating or disrupting this proceeding. It, therefore, should be made a party to this proceeding.

IT IS THEREFORE ORDERED that:

1. This proceeding is established to investigate the reasonableness of the proposed contract between Barkley Lake District and Christian District.

2. Christian District is granted full intervention status in this proceeding.

3. All documents that the Commission requires to be filed with the Commission shall be served upon all other parties.

4. Service of any document or pleading shall be made in accordance with Administrative Regulation 807 KAR 5:001, Section 3(7), and Kentucky Civil Rule 5.02.

5. Within 20 days of the date of this Order, Barkley Lake District shall file with the Commission the original and 5 copies of the information listed in Appendix A to this Order.

6. Within 20 days of the date of this Order, Christian District shall file with the Commission the original and 5 copies of the information listed in Appendix B to this Order.

7. When complying with the provisions of Ordering Paragraphs 5 or 6, Barkley Lake District and Christian District shall:

a. Place each copy of the requested information in a bound volume with each item tabbed.

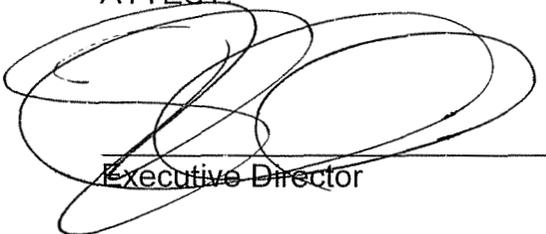

b. Appropriately index each sheet if multiple sheets are required for an item (for example, Item 1(a), Sheet 2 of 6).

c. Include with each response the name of the witness who will be responsible for responding to questions relating to the information provided.

Done at Frankfort, Kentucky, this 24th day of February, 2006..

By the Commission

ATTEST:

Executive Director
